

Independent Contractor Agreement

Full-Cycle Sales Representative Role

Effective Date: April 06, 2026

1. Parties

This Independent Contractor Agreement ("Agreement") is entered into as of the date above, between:

Client / Company	AllSorted Pro, operated by Mike Bobby ("Company")
Contractor	[Contractor Full Legal Name] ("Contractor")

2. Role & Engagement

The Company engages the Contractor as a **Full-Cycle Sales Representative** on a **part-time, remote basis**, with the clear opportunity to transition to full-time based on sustained performance. In this role, the Contractor is responsible for the complete sales cycle — from outbound prospecting through to closing and client onboarding. This engagement is not a guarantee of ongoing work and may be adjusted or terminated per Section 8 of this Agreement.

3. Scope of Work

The Contractor agrees to perform the following services as part of a full-cycle sales and onboarding function:

Prospecting & Outreach

- Make outbound calls to US business owners from a lead list provided by the Company
- Introduce the Company's bookkeeping service using approved messaging and scripts
- Handle objections professionally using Company-provided objection responses
- Log every call attempt — including outcome and notes — in the Company's caller dashboard on the same day
- Conduct all calling activity during US business hours (EST or CST) as agreed

Closing

- Close interested prospects on the Company's bookkeeping service directly on the call
- Confirm pricing, service details, and payment method with the client
- Collect client's email address and business details required for onboarding
- Notify the Company via WhatsApp immediately upon closing each new client

Onboarding

- Guide newly signed clients through the QuickBooks Online accountant access connection process
- Verify that all required bank and credit card accounts are connected and syncing correctly
- Confirm client details are accurately entered in the Company's client management system

- Introduce the client to the assigned bookkeeper and set expectations on monthly delivery
- Escalate any onboarding issues or complications to the Company immediately

4. Compensation

Component	Amount	Details
Activity Guarantee	\$200 / month	Earned upon meeting minimum daily call activity requirements (see Section 5)
Closing Bonus	\$25 / closed client	One-time payment per new client successfully signed and onboarded
Recurring Commission	\$10 / month per client	Paid monthly for every active client the Contractor closed, for as long as client remains active
Payment Method	Wise / PayPal	Paid on the 1st of each month for the prior month's activity and active client roster

** The \$200 monthly activity guarantee is contingent on the Contractor meeting a minimum of 80 outbound calls per day across a standard 20-hour work week. In any month where the Contractor consistently falls below this threshold, the activity guarantee shall be prorated in proportion to actual activity relative to the minimum requirement. The closing bonus and recurring commission are earned independently of the activity guarantee and are uncapped. Recurring commission is payable only while the client remains an active paying subscriber of the Company.*

Illustrative monthly earnings example:

Activity	Month 1	Month 3	Month 6
Activity Guarantee	\$200	\$200	\$200
Closed clients (month)	3 × \$25 = \$75	4 × \$25 = \$100	3 × \$25 = \$75
Recurring (active clients)	3 × \$10 = \$30	10 × \$10 = \$100	20 × \$10 = \$200
Estimated Total	~\$305	~\$400	~\$475

Note: The recurring commission compounds over time as the Contractor builds an active client base. A Contractor who closes consistently will earn more each month without additional effort on prior clients.

5. Activity Requirements

The following minimum standards are required to maintain the monthly activity guarantee and remain in good standing:

- **80 outbound calls minimum per day** across a 20-hour work week
- All call outcomes logged in the Company dashboard on the same business day
- WhatsApp notification to Company immediately upon closing or onboarding each new client
- Availability during agreed US business hours (EST or CST)
- Response to Company messages within 24 hours on working days

- Accurate and complete client information collected and submitted upon each close

6. Performance Review

The first **30 days** of this Agreement constitute an initial review period. The Company will evaluate call volume, close rate, onboarding quality, and communication. Either party may terminate during or after this period with 7 days' written notice. Normal compensation applies throughout the review period.

7. Confidentiality

The Contractor agrees to keep strictly confidential all information relating to the Company's clients, prospects, lead lists, pricing, scripts, onboarding processes, and business operations. This obligation:

- Applies during and after the term of this Agreement
- Prohibits use of lead lists, client data, or scripts for any purpose outside of this engagement
- Prohibits sharing any Company information — including client names, pricing, or processes — with third parties without prior written consent
- Prohibits the Contractor from soliciting Company clients for any competing service during or after this Agreement

8. Termination

Either party may terminate this Agreement with **7 days' written notice** via WhatsApp or email. The Company reserves the right to terminate immediately and without notice in the following circumstances:

- Misrepresentation of the Company's service, pricing, or terms to prospects or clients
- Dishonest reporting of call or closing activity in the dashboard
- Unauthorized direct contact with active clients outside of the onboarding process
- Breach of confidentiality obligations under Section 7
- Solicitation of Company clients for any competing or personal venture
- Consistent and unaddressed failure to meet minimum activity requirements

Upon termination, any earned closing bonuses for clients onboarded prior to the termination date will be paid within **14 days**. Recurring commission on active clients closed by the Contractor will continue to be paid for **60 days** following the termination date, after which it will cease.

9. Independent Contractor Status

The Contractor is engaged as an independent contractor and not as an employee. The Contractor:

- Is solely responsible for all applicable taxes on income earned under this Agreement
- Is not entitled to employee benefits including health insurance, paid leave, or severance
- Provides their own equipment, VOIP setup, and internet connection
- May work for other clients, provided there is no conflict of interest with the Company

10. Tools & Equipment

Both parties agree to resolve disputes in good faith prior to seeking any other remedy.

12. Entire Agreement
